FAMILY NEWS

THANK YOU—for sending the beautiful flower arrangement. Your kindness and thoughtfulness meant so much to us.

~the Hervey Family

Thank You

It is such a blessing to see our church family and our community come together in a crisis. Our Overnight Warming Center served 27 individuals who would have been exposed to extreme temperatures over 7 days and 6 nights. Thank you to all the volunteers (63 church and community) that helped staff the warming center so that we could be open 24 hours a day. You cooked, cleaned, served with a smile and so much more and stepped up even more when we found our house flooded. We had donations from many individuals as well as 12 businesses/charities and 9 churches. We had no idea how this was all going to happen but God is good and we were blessed. Once we closed our center, these individuals were able to stay in a local hotel for 4 more days due to a couple of generous donations from the community. A special thanks to Maggie Kerby who stayed in constant contact with us and was an amazing help while also keeping City Square up and running.
Love you all, James & Kim Hanley
