FAMILY NEWS

FROM THE ELDERS—Just as it seemed we were getting back into the routine of our Sunday and Wednesday Bible classes, the COVID virus has hit us with another surge. We had hoped to weather this surge, but now are faced with a considerable number of our members who have tested positive. While we may be able to spread out with our adult classes, we do not have enough large classrooms to spread out our children’s classes as well. Plus, positive cases and/or exposures have already begun to cause difficulty in finding teachers for all of our children’s classes. For these reasons, along with our desire to keep all of you as safe and healthy as possible, the elders have made the decision to cancel all Sunday and Wednesday Bible classes through the end of January. We will continue to gather together for worship on Sunday mornings at 10:30, but request that family units continue to distance themselves and that everyone consider wearing your face coverings, at least for the next couple of weeks until the COVID cases begin to trend back down. If you are high risk, feeling ill, or have been directly exposed to COVID we request that you remain home and join us for worship online. We are hoping the cases will be declining and we can resume all Bible classes in February. Of course, simple suppers will also be on hold with plans to resume in February. Thank you for understanding and we pray God will bless each one of you during this trying time.

THANK YOU— so much for the red wood cross that you sent to me in memory of Claude. I appreciate it very much.

~Mary Jones & family

THANK YOU— for the beautiful plant in honor of our mom, Daisy. We appreciate all the love shown to us. The many calls, text & messages sent. The prayers sent on our behalf. We felt every one of them. We could not have made it through with our all the help we received while planning mom’s memorial. From videoing, preaching, to the wonderful meal that was prepared & everything in between. We appreciate all the love & kindness shown to mom while she was her in Paris. Thank you to those who were her friends and helped take care of her. We have so many fond memories while attending LACoC during our childhood and many of you are lifelong friends. We can never repay you for the kindness you have shown. Please continue to pray for us as we go through the following days. We love you from the bottom of our hearts!
