Heart to Home Groups had a great meeting Sunday. There are still open spots if you want to join this group of ladies as they focus on scripture and closer relationships in prayer and study. The hope is to cultivate and strengthen inter-generational relationships with Christ at the center! Please reach out to Lacey Welch to let her know if you'd like to be in a group.

If you would like to receive The Christian Chronicle, please sign the list available at the Welcome Center.

If you have a college student, please allow the office to have their address and email. We would love to get a list together so that our members can contact them with an encouraging card or email. You can give that information to Jared or the office.
